Another successful mission!

Just got back from finding Derek's water stop cock on his front lawn, it took about 15 mins.

Quote from Derek

*I'm absolutely amazed. It's like looking for a needle in a haystack, there's so much grass and turf here that you could dig for days and never find it.*

*"So to find it with a metal detector is absolutely wonderful. Thank you very much indeed."*

In lieu of a reward for David's time, Derek wanted to make a donation to one of the charities C&NMDS supported and a £20 contribution was made to St Luke's Hospice.
